Attention!!! Students entering the 7th Grade for the 2017-2018 School year

Documentation of the Tdap vaccine or waiver from a Florida physician is required BEFORE your child starts 7th grade for the 2017-2018 school year. Your child will not receive his or her schedule until this information has been provided to our school.

Immunizations through the Pasco County Health Dept. are free and no appointment is necessary.

If you have any further questions please contact your physician or local Pasco County Health Dept.
