Good Morning Cyclone Family!

Centennial Middle School is hosting a non-perishable food drive from May 8th- May 19th with the goal of supplying our families that participate in the ABC/Thomas Promise programs with boxes of food for the summer. Many of our fellow Cyclones gain much of their needed nutrients while here at school during breakfast and lunch, which is provided; for those families in particular school breaks, including summer, can be worrisome times. Our goal is to supply our families with food boxes that can supply meals and snacks throughout the summer months. We want all of our Cyclone families to have a happy and healthy summer! We are asking for donations from our students, faculty, local schools, and the community.

How to get involved:

We will be hosting a homeroom class competition where the winning homeroom will receive a donut party. Your student can bring in non-perishable food items for points.

We will be hosting a collection site on May 22, 23, and 24th from 4:00-8:00pm at the Winn Dixie on 54 and Coats Rd in conjunction with the Pasco Sheriff's office. Come by and show your support!

This is more than just a "can food" drive as we are hoping to supply well rounded boxes of food to provide continued nutrition throughout the summer but of course cans are welcome. For a complete list of requested items please see the reverse side of this letter.

If you did not receive a participation letter but are in need of assistance please call Kristin Roberts directly at 352-524-9700.

Sincerely, The ABC Committee
