Parents, please remind your child to get a good night's rest prior to testing, make sure to eat a good breakfast, and go in with a positive attitude!!

- All students will report directly to their testing location Monday morning. We need all students to be in their testing locations at 8:30am so we can promptly begin testing.
- For our MSOL students, once the testing is completed in their testing location they can contact their parents to come and pick them up.

If you have any questions about testing please make sure to call the school and ask for Mr. Wolff our Testing Administrator.
