

CENTENNIAL MIDDLE SCHOOL 25-26

SIP

School Mission: Committed to providing a quality STEM education for ALL students to become lifelong - innovative learners and responsible community stakeholders.

School Vision: Expect Excellence through STEM Education for ALL Students.

School Goal: By May 2026, we will increase our school grade percentage points from 50% C to a 57% B

Increase overall student proficiency in ELA, Math, Science, and Civics through benchmark-aligned Tier I Instruction, targeted interventions/supports, and regular progress monitoring.

- ELA: 39% → 50%
- Math: 41% → 50%
- Algebra I: 83% → 90%
- Science: 34% → 55%
- Civics: 69% → 75%

Goal 1

Proficiency

Goal 2

Learning Gains

By the end of the 2025-26 school year, 75% of students will demonstrate Learning Gains on the ELA and MATH FAST PM3 Assessment from the 2024-25 PM3 Assessment through benchmark-aligned Tier I Instruction, targeted interventions/supports, and regular progress monitoring.

By the end of the 2025-26 school year, 44% of African American Students, Hispanic Students, ELL Students, Students with Disabilities Students, and Economically Disadvantaged Students will achieve proficiency on the FAST PM3 Assessment through benchmark-aligned Tier I Instruction, targeted interventions/supports, and regular progress monitoring.

Goal 3

Focus Area

Goal 4

Acceleration

By the end of the 2025–2026 school year, increase student access to acceleration opportunities by:

- Expanding community awareness of dual enrollment pathways and Pasco eSchool electives
- Implementing the district's new math progression plan aimed at increasing the number of 8th-grade students taking Algebra this year, with a goal of achieving a 90% pass rate on the Algebra I EOC.
- Increase opportunities for students not on the accelerated math path to take courses that offer industry certifications.

25 YEARS OF EXCELLENCE
